KJSCE HACKATH0N

5th-6th October,2018

❖ WHAT IS KJSCE HACKATHON ?

◆ • KJSCE Hackathon is completely student run , non-profit event aiming to bring creative minds to make great things. Over the past couple of years , the hackathon has grown from a small group of students to a group of around **200+** hackers from around the city. This year , we hope to attract even more hackers and expect the quality of projects to raise the bar for what can be achieved in 24 hours .

• To make KJSCE Hackathon 3, we need your help !

❖　WHY SPONSOR US ?

• KJ Somaiya College Of Engineering students and surrounding communities have made huge impacts on the companies who choose to get involved. Each year we have a bunch of fresh hackers who are motivated and energetic about their work.

• Participating in a hackathon is a unique way to interact with some of the best computer science and engineering students. As a sponsor , you'll receive face-to-face interaction with hundreds of top students and be a part of growing hackathon culture in INDIA .

• Sponsoring KJSCE Hackathon can help your company :

　❖ Gain student awareness of your brand among top student developers and connect with top talent.

　❖ Since Our Event takes place during the technical fest of the college the actual footfall for the event goes over **2000+** students across two days it could be great platform to promote your brand.

　❖ Recruit student developers who catch your eye. They'll be busy demonstrating their technical and teamwork skills in a high-energy and fast-paced environment .

　❖ Test your APIs and give demos to eager students. Give it to us and we'll show you how you can make it better!

❖ HOW CAN YOU HELP US ?

- Donate Money For the Event, this will give us flexibility to make sure that all the prerequisite for the event are taken care of.
- Provide students with hardware/software to use during hackathon. Help our attendees explore programming by providing products to help them develop great things at our event.
- Send a mentor to our event. Mentors will help significantly with our event, our aim is to help students learn and mentors will provide assistance and inspiration to these students.
- Provide prizes. By providing prizes you help us incentivize our event and really push students to do their best along with your brand exposure.
